EDUCATION

Bachelor of Science: Computer Science, Human-Computer Interaction Emphasis Expected 04/2028
Brigham Young University Provo, UT
Minor in Business Strategy

- GPA 3.92
- Full-Ride Academic Scholarship 2024-2026
- Co-President, User Experience Design Association

EXPERIENCE

Lucid Software (Visual Collaboration Platform) May 2026-Aug 2026
Product Design Intern South Jordan, UT

- Designed the AI chat panel bringing Lucid AI to the docs list, shipped GA to all tiers in 12 weeks
- Prototyped 4 layouts and tested with 12 users in 5 countries, shaping the final panel and full-page design
- Built the A/B test and metrics plan for layout default and adoption, guiding post-launch iteration
- Won 3rd at Lucid's 400+ person hackathon with Prism, adding cross-doc synthesis and AI chart creation

Awardco (Employee Recognition Platform) Oct 2025-Apr 2026
Product Design Intern Lindon, UT

- Redesigned authentication across login, MFA, SSO, recovery, and SMS on web and mobile
- Built and tested coded prototypes with 20+ users, including keyboard-only and screen reader sessions
- Cut login time 25% and increased successful sign-ins 4.5% with email-first routing by org config
- Shipped 3 designs to production in Vue, owning feature branches through code review, QA, and release

Pattern (Ecommerce Accelerator) Jan 2025-Oct 2025
Product Design Intern Lehi, UT

- Redesigned an internal reporting tool so teams could ditch Excel, saving 400+ employee hours per week
- Designed the core chart widget for multi-metric comparison, improving hundreds of charts platform-wide
- Led 50+ user interviews and usability studies, uncovering the Excel workarounds that drove the redesign

HOTH (Encrypted Messaging Startup) Dec 2024-Apr 2025
Product Design Intern Provo, UT

- Built HOTH's first design system with 50 components and AA-contrast tokens for type, color, and spacing
- Cut time-to-value 30% by adding Google SSO and key download, storage, and recovery flows
- Designed end-to-end product flows for investor demos that contributed to $17M in funding

LEADERSHIP

Figma Aug 2025-Apr 2026
Campus Ambassador Provo, UT

- Taught collaborative design and prototyping to 100+ students through workshops and hackathons
- Planned and ran 4 campus events, growing Figma EDU signups by 40%

The Church of Jesus Christ of Latter-day Saints Jan 2022-Dec 2023
Full-time Volunteer Representative (Fluent Spanish) Puerto Montt, Chile

- Led 80 full-time volunteers across 3 cities through 50+ trainings and 200+ coaching sessions
- Trained team leads in structured goal setting and teaching skills, raising weekly teaching results 30%

SKILLS & ACHIEVEMENTS

- Figma, interaction design, design systems, user research, usability testing, A/B testing, accessibility
- HTML, CSS, JavaScript, React, Vue, Angular, Next.js, SwiftUI; coded prototypes and production UI
- Founded and scaled an exotic reptile breeding business to $30K revenue across breeding, pricing, and sales
- Won the Redo AI hackathon building TripMaster, an AI trip-planning assistant you chat with over SMS
