EDUCATION

Bachelor of Science: Computer Science, Human-Computer Interaction Emphasis

Brigham Young University

Minor in Business Strategy

- GPA 3.92
- Brigham Young Academic Scholarship 2024, 2025, 2026
- Co-President, UX Design Association

Apr 2028

Provo, UT

EXPERIENCE

Lucid Software (\$3B+ Visual Collaboration Platform)

May 2026-Aug 2026

Product Design Intern

South Jordan, UT

- Designed the AI chat panel bringing Lucid AI to the docs list, shipped GA to all tiers in 12 weeks
- Prototyped 4 layouts, tested with 12 users in 5 countries, driving the shipped panel and full-page design
- Built the A/B test and metrics plan for layout default and adoption, guiding post-launch iteration
- 3rd place, AI category, Lucid internal hackathon (400+ participants)

Awardco (\$1B+ Employee Recognition Platform)

Oct 2025-Apr 2026

Product Design Intern

Lindon, UT

- Redesigned authentication across login, MFA, SSO, recovery, and SMS on web and mobile
- Built and tested coded prototypes with 20+ users, iterating from usability findings
- Cut login time 25% and increased successful sign-ins 4.5% with email-first routing by org config
- Shipped 3 designs to production in Vue, owning feature branches through code review, QA, and release

Pattern (\$3B+ Revenue Ecommerce Accelerator, NASDAQ: PTRN)

Jan 2025-Oct 2025

Product Design Intern

Lehi, UT

- Rebuilt the report builder for marketplace performance analysis, enabling multi-metric comparison
- Re-architected reporting workflows, automating analysis and saving customers 400+ hours per week
- Led 50+ user interviews and usability studies, translating research into roadmap priorities

HOTH (Encrypted Messaging, \$17M raised from Lachy Groom and Bedrock)

Dec 2024-Apr 2025

Product Design Intern

Provo, UT

- Established HOTH's first design system, tokenizing typography, color, and reusable components
- Cut time-to-value 30% by adding Google SSO and key download, storage, and recovery flows
- Designed end-to-end flows for investor demos and roadmap validation

LEADERSHIP & SERVICE

Figma

Aug 2025-Apr 2026

Campus Ambassador

Provo, UT

- Taught collaborative design and prototyping to 100+ students through workshops and hackathons
- Planned and ran 4 campus events driving design community growth and Figma EDU signups by 40%

The Church of Jesus Christ of Latter-Day Saints

Jan 2022-Aug 2023

Full-time Volunteer Representative

Puerto Montt, Chile

- Led 80 full-time volunteers across 3 cities, running 50+ weekly trainings and 200+ coaching sessions
- Trained team leads across the region, raising KPIs 30% through structured goal setting and weekly reviews

SKILLS & INTERESTS

- Figma, AI prototyping, design systems, user research, usability testing, A/B testing, accessibility
- Ship designs in production code (React, Vue, Angular, Next.js, SwiftUI); coded prototypes for user testing
- Founded and scaled an exotic reptile breeding business to \$30K revenue across breeding, pricing, and sales
- Won the Redo AI hackathon building TripMaster, an AI trip-planning assistant you chat with over SMS
